

About Our Club

As much fun as it is to own and drive a Mazda Miata, it is even more fun to share the experience with other Miata enthusiasts.

The Bluebonnet Miata Club was founded in the Spring of 1995 as a chapter of the former Miata Club of America. We are based in the greater San Antonio area but have members as far away as Laredo.

Our typical club events include drives on our favorite Miata roads in the beautiful Hill Country, evening dinner drives, rallies and parades. We also join other clubs from throughout Texas to enjoy statewide events.

As a community service project we participate in the Adopt a Highway program. This helps make the roads we love to travel even more beautiful.

We hold monthly meetings on the fourth Tuesday of each month at 7:30 P.M. Meetings are considered "social events" with a wee bit of business thrown in to make things official! Folks actually start arriving around 6:30 to have time to eat and socialize before the meeting. Check our website for the current location.
